

PUBLIC NOTICE

The Nottawaseppi Huron Band of the Potawatomi (NHBP) Environmental Department is seeking Authorization from the USEPA for Section 319 of the Clean Water Act Program

This is notice of a 30 day public comment period beginning on Friday August 17th, 2018, commencing on Saturday September 15th

The CWA 319 Program addresses Non-Point Source (NPS) runoff into waterways. The current NHBP Management Plan includes the Pine Creek and Lower Nottawa Creek Watersheds. The goal of the 319 NPS program is to improve water quality through implementation of streamside Best Management Practices (BMPs)

NHBP has developed a Draft NPS Assessment Report and Management Plan which have been reviewed by the USEPA. Copies are available at:
