BEREAVEMENT BENEFITS

The Bereavement Benefit General Welfare Program was amended at the January 18, 2018, Tribal Council Business Meeting. The bereavement benefit for Tribal Members who walk on is established at $10,000. These funds are intended to provide for funeral services and other final expenses.

An additional amount of up to $500 is available to pay only the actual cost for food and beverage, or catering services. It is the obligation of the Tribal Member to file a Bereavement Beneficiary Form with the Enrollment Office. This form designates the beneficiary for your bereavement benefits. The form can be found on the Members Only website. If you have not completed a Bereavement Beneficiary Form or have questions, please contact the Enrollment Office.

NEW EDUCATION REQUIREMENTS FOR 2019 PER CAPITA DISTRIBUTIONS

FINANCIAL LITERACY COURSE

In January 2018, Tribal Council approved amendments to the Revenue Allocation Plan (RAP) that modified the educational requirements for per capita distributions.

The updated requirements must be achieved in order to have per capita payments paid directly to a Member when they reach 18 years of age. In addition to the baseline educational requirement (high school diploma/equivalent or GED certificate), the RAP now also mandates that Members complete a financial literacy course.

PLEASE NOTE, THIS UPDATE AFFECTS ALL MEMBERS WHO TURNED 18 AFTER JAN. 1, 2018.

In order for an eligible Member to receive a per capita payment directly, the Member must submit a copy of his or her diploma and a certificate verifying successful completion of a financial literacy course to the Enrollment Office. The appropriate documentation must be submitted before any eligible Member may receive their per capita directly. If such copies are not submitted in a timely manner, the per capita payment for these Members shall be deposited in the Member's Minors Trust account.

ATTENTION NHBP RESIDENT TRIBAL MEMBER: A CHANGE IS NOW EFFECTIVE REGARDING FORM 3996/FORM 3998

MICHIGAN SALES AND USE TAX EXEMPTION

There is a change in the process of your Michigan Sales and Use Tax exemption when you purchase certain "qualifying personal property."

THE TYPES OF QUALIFYING PERSONAL PROPERTY AFFECTED BY THIS CHANGE ARE:

MOTOR VEHICLES, SUCH AS:

- PASSENGER VEHICLE
- PICKUP TRUCK
- RECREATIONAL VEHICLE
- MOTORCYCLES
- RECREATIONAL BOATS
- SNOWMOBILE
- OTHER ITEMS FOR WHICH A TITLE IS OBTAINED FROM THE STATE OF MICHIGAN

CONSTRUCTION MATERIALS AND SUPPLIES

This change took effect on February 1, 2019, at which time the Member/Entity Tribal 3996 Resident Tribal Member (RTM)/Tribal Entity Sales Tax and Use Tax Refund Request in no longer accepted by the Treasury Department for purchases of qualifying personal property that are made after January 31, 2019.

PRIOR TO PURCHASE

PRIOR to the purchase of qualifying personal property, an RTM is required to obtain a Form 3998 Tribal Certificate of Exemption and the current Letter of Authorization to Use Tribal Certificate of Exemption from the Legal Department to take with you to the dealership or the business you are making your purchase from.

In order to qualify, the property must be used for personal use only and cannot be used for business activities. This process will also apply to the purchase of construction materials used in connection with repairs, additions, or improvements to the principal residence of a RTM located in the Tribe's Tax Agreement area.

Additionally, if you are planning to build a new home, addition to your home, or perform other significant repairs/improvements to your home, you may be eligible for the sales/use tax exemption on building materials and fixtures (i.e., windows, water heaters and furnaces).

In most cases, you will be able to provide a certificate to your contractor (if you use one) so they may purchase construction materials needed to perform the work.

NOTE: TO RECEIVE THE MOTOR FUELS TAX EXEMPTION, TRIBAL MEMBERS ARE NO LONGER REQUIRED TO REGISTER THEIR VEHICLES WITH THE TAX DEPARTMENT.

AM I A RESIDENT TRIBAL MEMBER?

Tribal Members whose primary residence is located within the "Tax Agreement Area" are eligible for certain tax exemptions that would typically only apply to Tribal Members who live on Reservation or "trust" lands. In order to qualify for these exemptions, however, you must be on the official list of "Resident Tribal Members."

THIS MEANS YOU MUST HAVE A CURRENT ADDRESS ON FILE WITH THE ENROLLMENT OFFICE THAT IS WITHIN THE TAX AGREEMENT AREA.

If you live in or recently moved to Calhoun or Branch County, and: (1) Do not know if your home is located in the "Tax Agreement Area"; or (2) Do not know if you are on the current list of "Resident Tribal Members", please contact Legal Administrative Assistant/Tax Officer Rebecca Griffin at rgriffin@nhbpi.com or 269.704.8371.

If you question if your home address is located in the Tax Agreement Area, it will help us confirm if you know what survey section your property/street address is located in. A map of the NHBP Tax Exempt Area is located on the Members Only website on Legal's page.

We update the list of Resident Tribal Members on file with the Michigan Department of Treasury every month, so please keep the Enrollment office informed of any change in your address.

Medication Assisted Treatment

Medication Assisted Treatment (MAT) is the use of safe and monitored medications to treat addiction by decreasing cravings and the effects of dangerous illicit drug use.

MAT includes the use of Suboxone, Subutex, Vivitrol, and Subsolve. These medications are under strict control, dispensed by a pharmacy and significantly decrease the risk of overdose and death. MAT providers complete specialized training and follow strict laws and guidelines to ensure patient safety, above all else.
